

# KLINIC INSTITUTE

## CRISIS INTERVENTION TRAINING

Working with someone who is in crisis and/or is suicidal can be a frightening and challenging experience. Often we feel we are not equipped with the skills needed to adequately deal with the situation. This four day intensive, participatory institute is intended to help service providers acquire skills from basic crisis intervention to more advanced suicide prevention, trauma post-vention, community development and best practices.

*Trainings are scheduled for:*

*LOCATIONS: TBA*
